

63^d Regional Support Command
Pre-Retirement Training Brief Event
Fort Shafter Flats, Hawaii 96819-2135

The 63d Regional Support Command (RSC) and 9th Mission Support Command will host a Pre-Retirement Training Brief Event on Saturday, July 13 2013 for 9th MSC soldiers and families, and all Army Reserve soldiers.

We will also host another Pre-Retirement Training Brief event on Sunday, July 14 2013 for our National Guard Soldiers, retirees, and their family members.

It is our intent to provide a forum for briefings and open dialogue for all Army Reserve Soldiers (Troop Program Unit, Inactive Ready Reserve, Grey-Area Retirees, and Retirees currently eligible to collect Retired Pay) who are at or nearing retirement. The 63rd RSC Retirement Service Officer (RSO) will provide information and procedural briefings covering each major area of the retirement process as outlined in AR 600-8-7. The focus is to prepare retiring Soldiers for retirement and to also address any issues currently being experienced by Soldiers who are already retired. All current Retirees are encouraged to attend for updates and new changes between entry into the Retired Reserve and eligibility to collect benefits. It is free to all Reserve Soldiers. Families are welcomed and encouraged to attend.
